Courses include but not limited to: Introduction to Sport Management; Sport Governance and Policy; Sport Marketing and communication; Aquatics and Facilities Management; Sport Facility and Event Management; and Legal Aspects of Sports. Other duties will include advising undergraduate students, providing service to the department, school, and university, participating in research, grant writing, and other scholarly activities. The successful candidate will start work in August 2022.</p>

POSITION RESPONSIBILITIES:

The successful candidate will be expected to make the following contributions to the Department of Health, Physical and Secondary Education:

Teaching/Instruction:

Full-time instructional load, teaching in areas of expertise within the academic discipline of sport management (e.g., Introduction to Sport Management; Sport Governance and Policy; Sport Marketing and communication; Aquatics and Facilities Management; Sport Facility and Event Management; and Legal Aspects of Sports) and/or others as commensurate with degree, experience and department needs.

Serve as a mentor/advisor for students in the major and involve them in undergraduate research activities and community service initiatives within Sport Management.

Scholarship:

Engage in scholarship and community service appropriate to the discipline.

Faculty are expected to conduct research and develop professionally.

- Publications – peer reviewed scholarship
- Presentations at professional meetings
- Grant writing and application
- Membership and participation in professional organizations
- Other professional service or development activities

Service:

Serve on school, college, and university committees as assigned.

Professional and Public Service is a part of faculty service expectations and might include activities such as the following:

- Provide continuing education service, instruction, or program development for department, school, college, or university
- Membership and participation in community organizations
- Other significant services to the community

Serve as the Program Coordinator for the Sport Management.

Description of Work Continued:

Minimum Education and Experience Requirements: An earned doctorate in sport management or a related field or equivalent terminal degree is required. A record of demonstrated teaching competence and ability to teach a variety of sport management courses, along with scholarly accomplishment at the collegiate level, is required. Appointment to faculty rank is open based on the appropriate level of scholarship and teaching.

Knowledge skills and abilities:

Preferred Qualifications:

- 3 years of experience teaching undergraduate/graduate sport management courses
- A demonstrated pattern of excellent teaching, student mentorship and engagement, and committed service
- Experience with sport management program development, evaluation, and COSMA accreditation
- An established research agenda in sport management and demonstrated ability to publish in high-quality, peer-reviewed journals
- Willingness to work collaboratively on research projects and grants
- Experience with grant writing and success with securing intra/extramural funding
- Relevant industry experience with significant industry contacts.

Special Instructions to Applicants:

- The position will remain open until filled, but applications received by **April 1, 2022** will be given priority consideration.

Closing Date:

Open Until Filled: Yes

Additional Information for Applicants All new employees are required to have listed credentials/degrees verified prior to employment. Transcripts should be provided for all earned degrees and/or the degree which is being used to satisfy credential/qualification requirements. Transcript requests are the responsibility of the candidate.

EEO Statement: This position is subject to the successful completion of an employment background check. An employment background check includes a criminal background check, employment verification, reference checks, license verification (if applicable) and credit history check (if applicable).
