

An aerial, high-angle photograph of a basketball court. Three players are visible on the court, positioned near the center. Their long, dark shadows are cast across the court floor, extending towards the bottom right. The court's white lines, including the three-point arc and the key, are clearly visible against the dark floor. The overall lighting is dramatic, with strong contrast between the players and their shadows.

Pivoting and Adjusting to the Shifting Demands of Sport Management Students Through Shaping the First Year Experience
